Nagaland Board of School Education, NBSE said that the Department of School Education & Literacy and Secretary, Department of Youth Affairs, Government of India have directed to onboard all educational institutions as “Knowledge Institutions” onto MYBharat portal. It said, the MYBharat portal has been launched as an institutional mechanism for use by anyone to improve their youth outreach and their ability to build

capacities. The NBSE said Universities, Colleges, Schools and Technical Institutions upon successful onboarding as knowledge Institutions will get a dedicated web page through which, the institution would be able to create digital version of any youth engagement events like short term 'Volunteer for Bharat' and longer term 'Experiential Learning' events. Youth who participate in these events will see their work reflected on the individual profile pages provided to youth on the portal. The registration link mybharat.gov.in/partner register is for onboarding of any educational institution and the enclosed SOP for self-registration may be followed for successful onboarding onto MYBharat portal. In this regard, NBSE asked the Heads of Institutions to register as Knowledge Institution through the link at the earliest possible time and make use of MYBharat portal.
