### **NEWS IN ORDER:-**

#### **PM:**

**Prime Minister Narendra Modi on Wednesday said that this is the era of silicon diplomacy and India will take every step to become the semiconductor powerhouse. After inaugurating the SEMICON India 2024 in Greater Noida yesterday, Mr Modi said the government has set a target to make the country's electronics sector a 500 billion dollars' worth industry by the end of this decade. He said this will create 60 lakh jobs.**

#### **AUTHOR:**

**The Khasi Authors Society marked its 45th anniversary yesterday with a grand celebration in Shillong. Member of Parliament, Ricky A. J. Syngkon highlighted the significance of the occasion by recalling his maiden speech in Parliament, where he advocated for the inclusion of the Khasi language in the Eighth Schedule of the Constitution of India. He underscored the importance of preserving and promoting local dialects within Khasi literature. Eleven exceptional students were honored for their outstanding achievements in the study of the Khasi language.**

#### **MOBILE:**

**The Government has said that more than one crore mobile connections have been disconnected and around 2.27 lakh mobile handsets have been blocked for involvement in cybercrime and financial fraud. The Department of Telecommunications, in collaboration with the Telecom Regulatory Authority**

of India has initiated several measures to enable spam-free quality telecom service with high-speed data.

**NEHU:**

The Department of Biomedical Engineering, North Eastern Hill University in collaboration with the National Institute of Electronics and Information Technology, Shillong, launched the capacity-building course, 'Programming Technologies' for pre-final and final year B.Tech students from 9<sup>th</sup> to 23<sup>rd</sup> of this month. The project is designed to uplift the socio-economic status of citizens in the Northeast by fostering a smart ecosystem with vital IT education and skill development. It aims to train 1.665 lakh citizens from diverse sections of society across the Northeastern States. The course will equip students with the skills necessary to meet industry standards, making them job-ready for various roles in the rapidly evolving tech landscape.

**ARUNACHAL:**

Arunachal Pradesh Deputy Chief Minister Chowna Mein has said that hydropower projects with a combined installed capacity of 12,500 Mega Watt in the state will commence operations in the next two years. The projects will be taken up by Central Public Sector Undertakings. Five such projects will commence next year, while three each will be taken up in 2026 and 2027.

**ILP:**

The Nagaland Government has approved the implementation of the Inner Line Permit (ILP) in Chumoukedima, Niuland, and Dimapur districts. The Dimapur residents will be classified into three categories. Category I, which includes individuals who settled in Dimapur before 1<sup>st</sup> of December, 1963 will not require ILP and will be eligible for a Smart Card, as well as the option to obtain a Permanent Residence Certificate and Domicile Certificate. Under Category I, individuals who settled between 1<sup>st</sup> of December, 1963, and 21<sup>st</sup> November, 1979 will also not need ILP and will be issued a PRC, with the option of obtaining a Domicile Certificate. Under Category III, those who settled in Dimapur on or after 22<sup>nd</sup> November, 1979 will be required to obtain ILP for their stay in the district.

**IMD:**

The India Meteorological Department has forecast very heavy rainfall over Assam, Meghalaya and Arunachal Pradesh for the next 6 days. Similar weather conditions are also expected over Nagaland, Manipur, Mizoram, Tripura, West Bengal, Sikkim and Bihar till 14th September. The IMD also forecast heavy rainfall in Chhattisgarh from 14th to 16th September. Meanwhile, several parts of Delhi received light rainfall on wednesday. According to IMD, the national capital is expected to witness a generally cloudy sky with moderate rainfall for the next six days.

**SUBROTO:**

Manipur's TG English School clinched the Junior Boys title of the 63rd Subroto Cup International Football Tournament, getting the better of Meghalaya's Myngken Christian Higher Secondary School 4-3. Air Chief Marshal VR Chaudhari, Chief of the Air Staff and Chairman, Subroto Mukerjee Sports Education Society, presented the trophy to the winners.
